

WHAT IS A PLANETARIUM?

A planetarium is a dome theater that projects the night sky and space scenes all around you, creating a breathtaking 360 degree experience.

At the Charleston Planetarium, we feature a Digitalis inflatable dome, with immersive shows and live presentations that make astronomy exciting and easy to explore.

WHERE STARS
COME ALIVE!

EXPLORE NEW PARTS OF SPACE EACH SHOW

With each show travel to a different part of the universe, guided by an astronomer. See sights beyond your wildest imagination. Visit distant planets, sparkling star clusters, swirling galaxies, and mysterious nebulae on each journey through space.

NEW SHOWS EVERY MONTH

Our new and rotating shows bring new parts of the universe to life each month.

MAKE ANY OCCASION OUT OF THIS WORLD.

Our programs offer guests unforgettable experiences in space and science. With stunning films and a flexible event space, the Charleston Planetarium is perfect for all kinds of visits and celebrations.

FIELD TRIPS, BIRTHDAY PARTIES, SUMMER CAMPS, & PRIVATE EVENTS

Make your next field trip, birthday party, summer camp, or private event an adventure among the stars. The Charleston Planetarium turns every gathering into a fun and unforgettable cosmic experience.

OUR MISSION

Is to bring the night sky, the universe, and innovative STEAM experiences to the Lowcountry to inspire current and future generations of space explorers.
